 prasath201198@gmail.com

Objective

Seeking a challenging Full Stack Web Developer role where I can leverage my expertise in modern web technologies, contribute to building innovative applications, and grow by taking on complex projects that combine intuitive user experiences with reliable back-end systems.

Profile

Full Stack Web Developer at Soft Solutions4U, Chennai

Full Stack Web Developer with 3.8 years of experience designing and developing scalable applications using PHP, Laravel, Vue.js, JavaScript, and MySQL. Skilled in building responsive interfaces, integrating RESTful APIs, and delivering quality solutions within the LAMP environment. Strong collaborator with a focus on problem-solving, performance optimisation, and delivering business value through technology.

Project Experience

Payrexx

- Migrated Payrexx frontend codebase from Vue 2 (Options API) to Vue 3 (Composition API) for improved reusability and maintainability.
- Followed a structured development cycle encompassing planning, bug fixing, testing, and deployment phases.

Key Skills: JavaScript, Vue.js, Vuex, PHP, MySQL, Bitbucket, JIRA

VTigerCRM

Developed plugins independently to enhance VtigerCRM.

- Swiss QR - Created a plugin for Swiss QR invoice generation using Sprain Library.
- Google Sheets Integration - Enabled data synchronisation with Google Sheets using Google Cloud API and Apps Script.

Key Skills: .TPL file manipulation, JavaScript, PHP, MySQL, Bitbucket.

Rathin Tourism

Stripe Integration with React – Rathin Tourism

- Integrated Stripe payment gateway into a React frontend for Rathin Tourism, enabling secure mobile payments.
- Implemented Stripe Checkout with payment intents and tokenisation via Stripe Elements.

Key Skills: JavaScript, React.js, PHP, MySQL, RESTful API

Desk Reservation System

- Designed and implemented a settings menu for adding and managing floor and zone details.
- Enabled employees and admins to select and assign work desks via an intuitive interface.
- Developed notification functionalities.

Key Skills: Blade, Bootstrap, Leaflet.js, Laravel, MySQL, Bitbucket.
